Dear Steven

It was an absolute pleasure to meet you at the Jewish Cemeteries conference in Vilnius. I wanted to follow up on our conversations to explore how we might work together in the future. As I mentioned when we met, I would be really interested in exploring the possibility of working with your foundation and with Agnieszka and Aleks to bring some of my students out to assist with some of the projects you have planned, particularly those in the region of Treblinka. As discussed, we would be able to assist with the restoration work and documentation of the cemetery using the variety of non invasive methods I am training them to use. Do let me know if this would still be of interest.

Best wishes

Caroline
