

Coronavirus Special Meeting - March 22, 2020

Attendees: Steven, Przemek, Jo, Rachel, Elaine, John Mark, Kevin

April Board Meeting: Possible plan B would be to do by video calls. Keep plans as is right now.

Action #1: Pray and consider our projects and prioritize them for 2020. Reconvene at Spring Board Meeting to decide what projects we're going forward, do we cancel June projects, etc.

Also check in with key partners for this summer to see what their intent is if travel options are back open (Hatte, Alon, etc.). Do this the week after Easter leading up to the board meeting.

Action #2: IAJGS Conference - If it still occurs, is it more valuable for the organization going forward to use that week for Steven to attend the conference instead of using that week of a rescheduled project?

Przemek - keep in mind the start of school for new year and as everyone figures out how to start school back up.

Wedding will be in September. Yay!!!
