Greetings,

Attached please find the agenda for our board meeting this weekend. Please read over and come prepared to participate in a time of sharing, discussing and growing together!

We have been increasingly and methodically developing and shaping what we are doing. Now we are to the point of defining tasks and functions. This will be one of the items that we plan to cover this weekend. To this end, our JoAnn has taken it upon herself to ask all of us do a DISC and Strength Finder's assessment in order for us to see how we are gifted in order to help us begin developing roles and functions on the team. This exercise will help us know and understand our personalities and strengths as a means to enable us to work more effectively together as a team. Please remember, if you have not done so already, to complete the online DISC and Strengths Finder's assessment by the end of the day. Please take time and do this even if you are not going to be able to be present for the meeting.

Please also try to read the articles that I sent you especially those that relate to fundraising as we plan to discuss ideas about how to raise funds for our work.

Deborah and I are looking forward to being with you all and our time of learning, growing, fellowshiping and praying together!

Blessings,

Steven
