Subject: Nonprofit Websites

Steven and John Mark,

Below are 3 links to nonprofits that I have studied some to see how they organize their information, how they present it, etc. Thought it would be helpful for you to see them, too. They all represent the vision I have in my mind for our reboot... clean, easy to navigate, not heavy in words, etc.

Yahad-In Unum

<http://www.yahadinunum.org/>

Sweet Sleep

<http://sweetsleep.org/>

Cul2Vate

<https://www.cul2vate.org/>
