Peter,

If you have not yet printed the orientation guide, please use the attached document for printing. In it, I have edited slightly rewording a few lines for clarity.

I am looking forward to tomorrow evening. I greatly appreciate the invitation and opportunity to meet members of your congregation and share with them about European and Polish culture and about my work. Roughly, here is an outline of what I would like to do:

1. Introduction and overview of European/Polish culture (10 minutes)
2. How I came to be involved in and why I care about Jewish cemetery restoration (10 minutes)
3. Q&A – along with next steps? (10 minutes)

If you have anything that you would like for me to specifically add or say, then please let me know.

Thank you!

L'shalom,

Steven
