Hey Kyle and Trey,

I thoroughly enjoyed our conversations today and I learned a great deal about myself and as well about you all!

Thank you Kyle for your evaluation of my coaching and helping me see the need to step away from the role of "counselor" and becoming a coach.

Thank you Trey for asking good questions and assisting me clarify and take concrete steps toward applying what God is teaching me about myself and those I lead.

I really see the benefits of what we are doing and how our organization will benefit from what we have learned about ourselves and what we are learning and communicating to others around us as coaches, supervisors, mentors, etc.

No matter what role I play, I truly wish to become and be a servant-leader like Jesus, willing to serve and not be served. Thank you all for being a part of this learning process.

See you all on Skype on 5 Oct.

Grace and Peace,

Steven

Hey Guys,

I thought today was the day. I was on around 10 AM but then realized maybe I had the time wrong and only just got Kyle's invite letter for skype. Sorry if I blew the schedule. Let me know when works.

I think we set it up to:
Kyle coach me
I coach Steven
And Steven coaches Kyle

?

Talk to you soon. Trey

Preston,
Trey Atkins, Steven Reece and I have set up a coaching troika. We plan on beginning next week with conversations between the three of us. We will be talking every other week and also applying coaching where possible with our teams. We will keep you updated on progress, probably something like a monthly report. If you feel the need for some coaching yourself, one of us will find a space on the couch for you to stretch out and make yourself comfortable.

Grace,
Kyle
