Dear Haim,

I am extremely sorry for the delayed response. Please forgive me for the lateness of my response. After our meeting in Oświęcim, I was involved in another project which was completed one week ago. I am now home and catching up on my correspondence.

I am very humbled by your words of encouragement. Your story has deeply touched me and gives me hope for the future. Honoring the memory of those who cannot speak is the heart of what we do. We remember. Remembering gives direction to and guides our pursuit of justice. May we find a way to do this together whether it be in Oswiecim or Chrzanow.

We will keep in touch.

In warm kindness,

Steven

Dear Caroline and Steven,

I really was lucky (with the help of Tomek), having the chance of meeting you and your dedicated team. It was a great pleasure for me and, much beyond that, I've no words for describing the enormous emotional excitement I had due to your widely open hearts.

Thank you!

I wish you best of luck and success with your mission at the Oswiecim Jewish Cemetery and your future projects. In case, any of your future missions will be in Chrzanow, It will be a great opportunity for me to meet with you again in another place where my roots are...

Best Regards,

Haim

Dear Mr Horowitz,

It was a pleasure to meet you yesterday. I am not sure if you received my voicemail last night but I hope that we can meet to do an interview today. I will be at the AJC at 3pm in Cafe Bergstrom. I hope to see you there.

Best wishes

Caroline
