Dear Mr. Sokol,

Thank you for your email and invitation!

I would be delighted and honored to speak with your students. Please call me at 404-663-2383 at your earliest convenience so we may discuss times, dates and about that which you would like me to speak specifically concerning the Shoah.

L'shalom,

Steven

Dear Mr. Reece,

I am a teacher at The Weber School, a private Jewish high School , here in Atlanta. I teach an elective to Juniors and Seniors called "The Process of Hate and the Holocaust". We have thirty-one students (the largest class in the school), who have elected to take the course.

I recently read the article about you and your organization in "The Jerusalem Report". It is a wonderful article and when I read that you are in Atlanta, I got very excited.

I would like to invite you to speak to my students. We are in Sandy Springs, at the corner of Roswell and Abernathy.

All the best,
Moshe Sokol
