Subject: Thanks so much for your wonderful presentation this evening
Attachments: Mom headstone.jpg

Dear Mr. Reece,

I was truly touched by your work and my partner Stu and I are looking into the possibility of joining one of your trips.

I also wanted to share with you a picture of the copy of the headstone I picked out for my mother. I quoted Elie Wiesel on it.

Have a safe trip home and a wonderful Easter with your family.

Warmly, Judy
