Good morning Steven,

I can't thank you enough for agree to present at this year's genocide conference. You will be a wonderful addition. There are a couple of bureaucratic things that are essential. One is filling out the Presenter's Profile Form and returning it, and the other is sending invoice for the honorarium on letterhead please. It should read simply, Invoice for \$1000. for speaking at Scottsdale Community College's 7th annual genocide conference, and should include the exact name to whom the check should be written for, and the exact address to which you want the check sent. If you could please do this prior to 21 November, that would be a great help. I am so looking forward to hearing you play and speak.. If you have any questions, please don't hesitate to ask.

Here is the link to the Presenter Profile form:

Thank you again so very much.

All the very best,

John

Dear Mr. Reece,

I would like to contact you about speaking at Scottsdale Community college's 7th annual genocide conference regarding your work. I'm the founder-director of what has become the largest genocide conference with about 2,800 attending just the lectures and 8-10k attending the educational exhibits. I work closely with the USHMM, the Shoah Foindation, the Memorial de la Shoah and the Arnold Leinster Foundation to name a few. If you would be so kind to send me your phone number, I'll phone at your convenience. My direct work number is 480-423-6447 and my cell is 480-840-5360. Thank you very much, John Liffiton
